

# Online Presentment and Payment FAQ's

**ONLY PROPERTY OWNERS ARE AUTHORIZED TO REGISTER AN ACCOUNT**

**You may view your bill for free. A service fee of \$2.95 will be applied to Utility transactions for credit cards and Electronic Funds Transfer (E-Checks) payments with a maximum transaction amount of \$200.00 for credit cards.**

## General

### **What are some of the benefits of receiving my bill electronically?**

It is convenient, saves time, reduces errors, allows you to receive bills anywhere at any time and helps the environment by saving trees. You can continue to receive a paper bill, but if you elect to go paperless, you can always print out a copy of the invoice if needed. You can add a courtesy email address to your on-line account so that your spouse, tenant, property manager, etc. will also get a bill electronically.

### **What are the benefits of paying a bill online?**

Paying online with a credit card or electronic check saves time, gives you the flexibility to pay how and when desired, and saves money (no more stamps, paper checks or envelopes), and Invoice Cloud will store your information for future use – but only if you choose to store it.

### **What is Invoice Cloud?**

Invoice Cloud is a web-based, electronic invoice presentment and payment company that we have partnered with to provide faster, more convenient billing services to our customers. By automating billing and collections, customers can click and pay online while helping the environment and reducing clutter in their home or workspace.

### **What is the relationship between my city, town or utility and Invoice Cloud?**

Your biller wanted to make paying bills easier for their customers, but didn't have the electronic presentment and payment systems required to display, safely process and store financial information. Your biller chose Invoice Cloud because it is easy to use, and the security is the strongest available. All the data collected is double encrypted and stored on secure servers. The data is not sold or released for any purpose other than to complete transactions.

## Using the System

### **How does the system work?**

Only the property owner is authorized to register an account. If you are not the property owner you can still view/pay your bill online by selecting the "Pay Now" option

1. Enter the Account Number & the last name on the bill & click Search Invoices
2. You may click on View Invoice to see a copy of your bill
3. Put a checkmark in the box to the left of the account number
4. Click on Add selected invoices to your cart & proceed with your payment options

To register an account select “Register Now” (Property Owners Only)

1. Enter the Account Number & the last name on the bill & click Search Invoices
2. Put a checkmark in the box to the left of the account number then click Register Selected Invoices
3. Enter your email address & create a password

**Can I use an Apple /Mac to use the service?**

Yes, many customers use Macs.

**What Browsers are supported?**

The service supports all modern browsers.

**I cannot locate my bill.**

Please scroll down on the page to view the matching items at the bottom. Otherwise, try re-reading the instructions for the search criteria. Enter the account number with no hyphens (-) & enter the name exactly as it appears on the bill.

**Do I have to enter an email address to make a payment?**

Yes, an email address is required for payment confirmation. A payment receipt is sent via email.

**When I try to pay my bill, it asks for credit card information and I want to pay by electronic check.**

Under “How would you like to pay” click on the drop-down box and choose EFT Check.

**Will I receive a confirmation email that my bill has been paid?**

Yes, you will receive a confirmation email.

**Do I need to register to pay a bill?**

You may need to register to receive electronic bills by email, but registration is not required for One Time Payments. One Time Payments require that you enter your payment information each time you make a payment. By registering, you avoid that step and gain access to your payment history.

**Why should I register to pay a bill?**

By registering, you have access to all of your invoices and all of the features of the payment portal. These features include the ability to view all current invoices, see previous invoices and payment dates, update your profile information, access the online customer service system, go paperless, schedule payments for a specific dates, and sign up for Auto-Pay. You also avoid having to enter your payment information each time you pay a bill.

**How Do I Register?**

Registering is easy and can be done when you make a payment.

You can go directly to the biller’s website and click on the “View/Pay Your Bill” button. You will then be directed to Invoice Cloud. Once there, you will need to locate your account and be given the opportunity to register or make a one time payment. If you choose to register, you will be asked to provide a password and accept the terms and conditions to use the system. The

payment information you enter in your profile will then be securely encrypted and saved for your next visit.

### **How do I find my account number to login?**

To login the first time you use the system, you will need your account number & name as it appears on your bill. Once you have registered, you will need only your email address and password to log in. The “locate your bill” screen gives instructions regarding the required information.

### **I forgot my Password, how do I find it?**

You should click on “Forgotten Password?” at the bottom of the login screen. You will need your account number and email address to retrieve your password. If you’re unable to locate this information, you may call the Biller, and after verifying your identity, the Biller can provide you with the information.

### **Can more than one person pay bills online for the same account?**

There are two ways that payment responsibilities can be shared. If the other payer is part of your household, you may choose to share your login information with that individual. In a situation where personal financial data is not shared, you may forward your email notification to the individual, who will then click on the “Pay Now” button and elect to make a one-time payment. They will need to enter their name, email address, address and payment information. They will receive the payment confirmation. You can verify their payment by viewing the invoices in your account. You may add a courtesy email address to your on-line account so that your spouse, tenant, property manager, etc. will also get an email notification that your bill is ready to view/pay. Click on My Profile then Update Account Info to add the courtesy email address.

## **Payments**

What forms of payment can I use?

You can pay by credit or debit card or you may issue an electronic check (online only) from your bank account (checking or savings). We accept Visa, Master Card & Discover. We do not accept credit/debit in the Water Billing Office.

### **Can I still send in a paper check?**

Yes, your bill can be paid in any of the following ways:

- Email notification based payment – click the “View invoice or Pay Now” button in your email
- Web based online payment – login to online bill pay via your biller website
- Phone payments – 1 (855) 585-0341
- Paper check – sent by whatever means you choose, including US Postal Service (note: many paper checks today are converted into electronic transactions once they are received by the biller).
- Cash
- Money Order
- Auto-Pay through the Water Office: If you are the owner of the property you may sign up to have your bill automatically deducted from your checking or savings account on the due date each month. There are no transaction fees for this service

if signing up directly through the Water Office. To sign up for Auto-Pay you will need to print the **Authorizing Direct Payment Form** from the city's website & turn it in to the Water Office along with a copy of a voided check. You may fax the completed form & copy of check to 330-343-8135. Forms are also available in the Water Office. *Please note that if you sign up for Auto-Pay through the customer portal in Invoice Cloud you will be charged a transaction fee.*

**What is a service or convenience fee?**

A non refundable fee added to an invoice to cover various administrative costs associated with billing and accepting payment.

**If I don't have email can I still process an electronic payment?**

No, to complete the online payment process, you will need an email address so that the system can deliver your payment confirmation. If you do not have an email address, you can obtain a free email account from any of the following services: yahoo.com, hotmail.com, or gmail.com.

**What are the costs for paying online?**

There are no signup costs or subscription fees. The non-refundable service fee when using credit/debit cards or electronic check from your checking or savings account is \$2.95 per transaction. There is a maximum payment limit of \$200.00 when using debit/credit cards. If you need to make a payment of more than \$200.00 you will either need to pay through electronic check or make multiple credit/debit card transactions.

The service fee is shown on the payment page before you submit your payment for processing. There are fees imposed by Biller/Invoice Cloud for returned payments, and your bank may charge you a fee based on the bank's fee schedule.

**May I pay my bill by credit card at the biller's office?**

No, we are only permitted to accept credit card payments online via Invoice Cloud.

**How should I enter my credit card information?**

The information you enter on the payment screen must be exactly the same as it appears on your credit card. This information collected will be used to authorize your payment.

**How will I know that my payment has been accepted?**

After you submit your payment, you will see a payment confirmation screen. It will contain your payment confirmation message. It will show an approved number for credit cards or a processed number for electronic check. You will also receive a confirmation email after your transaction is submitted. The email will include your account number, invoice number, amount paid, and confirmation message. If your electronic check does not pass through the bank, you will receive an email informing you of the rejected payment. You may need to call your biller in order to pay again.

**Can I use more than one payment method per transaction?**

Yes, if your biller accepts partial payments, you may use one payment method for part of the transaction and another payment method for other parts of the transaction.

**How long does it take for a credit card transaction to process if I pay online?**

Credit card transactions typically take 48 hours to settle. An authorization is issued immediately; however, it takes 48 hours for the money to be moved.

**How long does it take for an EFT (electronic funds transfer) transaction to process if I pay online?**

EFT transactions typically take 48 – 72 hours to settle.

**Do I need to notify my bank or change bank accounts?**

No, your current bank account (checking or savings) will work fine. So many payments are made electronically now that banks are already prepared for online payments. However, if you have arranged through your bank to automatically pay your bill, you need to contact your bank and discontinue the automated payment, otherwise you may pay your bill twice.

**What information do I need to make a payment?**

If you are registered, the only information you need to have available to complete a payment transaction is your email address and password. If you make a One Time Payment, then you will also need your bank account or credit card information and your account number.

**When can I pay?**

You can make payment or review your account 24 hours a day, 7 days a week. It is always a good idea to pay or schedule a payment at least few days before the due date to allow for processing time.

**Can I use a credit or debit card to pay my bill(s)?**

Yes, you can. There is a service fee of \$2.95 and a maximum payment of \$200.00 is allowed. The service fee will be displayed during the payment process prior to submitting the payment. If you need to make a payment of more than \$200.00 you will either need to make multiple payment transactions or use an electronic check.

**Can I tell if my payment has been posted?**

Yes, simply login to your account and select “View paid or closed invoices”. If you are a registered customer, you will receive an email notification.

**Will I have online access to my account?**

Yes, you will have 24/7 access to your account for invoice review and payment, payment history and customer service requests.

**How long will my payment history be maintained?**

24 months is the standard retention period.

**Will I be able to print a copy of my bill?**

Yes, each invoice is presented in PDF and HTML format. Electronic storage is recommended because it saves paper and has a beneficial impact on our environment.

### **How do I change my account information?**

Simply log into your account and change any of your personal information under the My Profile tab. If you are unable to change some of your information, you may need to call the biller and have them change it for you.

### **What is a partial payment?**

A partial payment occurs when only part of an invoice is paid and may apply if your biller has elected to allow partial payments. Please contact your biller's office for more information.

### **Why am I being charged a late fee?**

If you feel that this fee has been assessed in error or you would like more information about late fee charges, please contact your biller's office.

## **Advanced Features**

### **How much does paying online help the environment?**

Paying online is only half of the benefit, by going paperless and not receiving paper invoices, you can increase the effect you can have on the environment. There are several ways reducing paper consumption helps the environment, including saving trees and using less gas. According to the PayItGreen Alliance™, if one in five households were to switch to electronic payments, statements and bills, we could collectively save 1.8 million trees each year and avoid using 103 million gallons of gasoline to mail bills, statements, and payments. If you'd like to be part of that one in five, just sign up to "go paperless" in your account under my profile, paperless options.

### **What is Auto-Pay?**

If you elect to opt in to Auto-Pay, it means that your bills will be paid automatically on their due dates using your default credit card or bank account. This will avoid any late fees and free you from having to remember when to pay. ***Please note that if you sign up for Auto-Pay through the customer portal in Invoice Cloud you will be charged a transaction fee. You can sign up directly through the Water Office to have your payment deducted from your checking or savings account on the due date each month with no fees.***

### **Can I cancel Auto-Pay?**

Yes, simply go into your profile and uncheck the auto-pay box that you had previously checked when you elected to opt into Auto-Pay. If you signed up for Auto-Pay directly through the Water Office you must contact the office to cancel.

### **I signed up for Auto Pay but do not see any information under "My scheduled payments."**

The Auto Pay date will not appear under scheduled payments. Auto Pay will be debited from the customer's account on the due date.

### **What are scheduled payments?**

Scheduled payments are scheduled individually by you for each bill on your specified date.

### **Can I schedule payments?**

Yes. You can set up a future payment at any time prior to the bill due date.

**Can I change a scheduled payment?**

Yes, as long as it is changed before the date it was scheduled to be paid.

**What is the difference between auto-pay and a scheduled payment?**

Auto-pay is an automated process which pays your balance in full each billing cycle at 2am on the due date; scheduled payments are manually entered by you for the date you choose for each bill you choose.

**What if I already have auto-pay or a scheduled payment set up with my bank?**

You will need to contact your bank and cancel your automated or scheduled payment before the payment is due (typically payments are made a couple days in advance of the due date, so don't wait until the last minute).

**When I sign up to "Go Paperless," will I still receive a paper bill in the mail?**

No, you will receive an email notification each time a new bill is ready for you to view and pay. Email notifications go to the email address used when you registered, a second email address may added if you wish to send notifications to an additional or back up email address or to someone else such as a spouse, tenant, property manager, etc.

**Can I start receiving paper bills again?**

Yes, simply go into your profile and under Paperless Options, select "No, I don't want to go paperless." Be sure to update/save the change.

**I received an email stating "Thank you for going paperless," but I DID NOT sign up for paperless!**

The paperless box is generally defaulted to enroll you in paperless billing because it helps the environment.

Option 1: Customer must click on "Complete paperless process" link within email to complete enrollment. If they do not, the paperless option will not be active and will drop off system within a few days.

Option 2: Customer can log into account and cancel paperless registration.

Choose >My Profile>paperless option>cancel paperless registration

**What is Account Linking?**

Self Service Account Linking means that Payers are able to view and pay all open bills with a single transaction. When registering bills under the same email address, payers are given the option to link the related accounts within the service. Linked accounts provide the following efficiencies:

- Faster, simpler payments across bill types. For example, a customer with multiple accounts or properties can pay all of the accounts at the same time.
- Linked accounts can access the same encrypted credit card and bank account information, so payers only need to enter it once.
- Multiple first email notifications scheduled for the same day, are grouped into one email rather than sent separately, resulting in fewer notifications for payers.

- Upon receipt of the email notification, the payer can view or pay all bills together, including any open or unpaid bills. This is particularly useful for customers with multiple parcels or a sprinkling meter account.
- Payment receipts are always sent out individually.
- Editing an email or password changes it for all accounts in the linked group, however, changing an address, auto-pay or paperless setting is only for the accessed account.

## Getting Help

### **Who do I contact with questions about a bill?**

If you are unable to find the information you need in your online payment history or open invoices, please call your biller's office at 330-364-4491 ext 1211.

### **I accidentally deleted my current email notification, what should I do?**

If you are registered, you can login via your biller website and view the bill there.

### **What if this website is down or for some reason I am unable to use this site?**

Please be aware that interest and fees will not be waived if this website is inoperable for any reason or if data entry errors occur. If the website is inoperable, payments can be made by mail, by phone in some locations or at the biller's Office.

### **If I have additional questions or I am having trouble registering, who should I call?**

Your biller's office at 330-364-4491 ext. 1211 can answer most questions, but if the website is down or inoperable, please call Invoice Cloud customer service at (781) 848-3733.

## Security

### **Is my information secure?**

Invoice Cloud uses the highest standards in Internet security. Account information displayed within the customer and biller portals is truncated to protect confidential data. Any information retained is not shared with third parties.

### **Are my credit card and checking account information safe when I pay online?**

Absolutely. Invoice Cloud will safely store all of your financial information using Payment Card Industry (PCI) Compliant systems. This includes truncating (abbreviating) account numbers so that even the Biller does not see your complete account information.

### **What is PCI Compliance and why is it so important?**

PCI stands for Payment Card Industry, and compliance with the industry standards is a requirement for those that accept the major credit cards and for software providers who have applications which involve the transmission and/or storage of credit card information. If breaches are found on systems that are not PCI compliant, the major credit card companies have the ability to levy significant fines on the offending parties.

### **Who has access to my account?**

You and Biller's authorized staff. No one will have access to your financial information as all check routing numbers and credit card numbers are truncated, so you never have to worry

about security. As a security precaution, we don't even show your full financial information back to you.
