**Present for all or portions of the meeting were the following:** Committee chairwoman Aimee May; committee members Rob Maurer and Kelly Ricklic; Council members John Zucal, Cheryl Ramos, Dan Lanzer and Dean Holland; Clerk of Council Julie Courtright, Mayor Joel Day; Treasurer Tom Gerber; Safety Director Greg Popham and Council President Sam Hitchcock.

The Parks and Cemetery Committee met to review proposed Resolution 10-2019 – a resolution authorizing the city to prepare and submit an application to the NatureWorks Program for recreational improvements (picnic tables, park benches and other park accessories) for the Southside Park improvements.

Nathan Quicksall spoke about the grant. The total project budget is \$40,198 to reach the maximum grant of \$30,1478. The local share is up to \$10,050 which would be budgeted out of next year's Master Capital budget. The use of the funds would be for picnic tables at the future concession stand, park benches throughout the park. Other potential uses could be message boards, trash receptacles and bike racks.

The proposed resolution originally stated that the improvements would be a gazebo and park benches but was amended during committee to read picnic tables, park benches and other park accessories. Mr. Ricklic made a motion to add the amended resolution to the council agenda this evening and pass on the first reading since the deadline for the grant was the of May. Mr. Maurer seconded the motion.

With no further business to be discussed by the committee, the meeting was adjourned at 7:24pm.

Respectfully submitted,

Aimee May  
Chairwoman
