

## About the Area...

Tuscarawas County offers fun and exciting activities throughout the year – opportunities abound over each hill crest and river bend! In the summer, you can ride the zipline at Wood's Tall Timber Resort or canoe down the Tuscarawas River. When the cool autumn air settles into the Valley, consider hiking the Ohio & Erie Towpath Trail or visiting the World's Largest Cuckoo Clock in Sugarcreek.

Snow could be on the ground in winter during deer hunting season, where Tuscarawas County ranks consistently in the top of the harvest charts. When the spring rains finally arrive, consider one of our many campsites or try your hand at disc golf at Deis Hill Park in Dover.

The area offers many affordable hotels and other lodging establishments for road-weary travelers, as well as numerous museums, attractions, wineries, cheese houses, restaurants, and bars brimming with nightly musical entertainment. We are conveniently located between Cleveland, Columbus, Pittsburgh, and Wheeling along the I-77 corridor.

If you have any questions or concerns about the numerous outdoor activities to be experienced within Tuscarawas County, call our offices at (800) 527-3387 or visit [www.traveltusc.com](http://www.traveltusc.com)
